# THE TEAM NEW NORMAL SOLUTIONS CEO: MANOJ PAPA

A highly motivated and successful business expert and leader with many years of leadership experience in operating strong businesses.

With a strategic vision and a sustained record of achieving targets working in an industry that is susceptible to change, his years of global experience have nurtured a keen insight and an eye for delivering an immediate impact upon profitability, revenue growth, process efficiencies, and business repositioning.

The highlight and most fulfilling period of his career as the Chief Executive Officer of Air Seychelles, focusing on restoring the airline to profitability and developing a plan for long-term business sustainability, including repositioning the brand not only to internal stakeholders but to its customers. During his tenure, the airline achieved strong revenue growth and positioned itself as the Indian Ocean's leading airline.

His professional experience also includes as Interim Chief Commercial Officer at South African Airways overseeing the commercial team and involved in designing and developing the long-term turnaround strategy for the airline, Vice President Corporate Strategy at Etihad Airways.

Manoj most recent accomplishment was publishing his book "Cleared-for Take-off." The book describes how authentic leadership and forming real connections remain crucial in business, especially now, during a time of uncertainty. It touches on principles such as passion, belief in people, care, and most of all, taking time out to have fun. He holds these values close to his heart, and they form part of his ethos.
